RE: Transfer of the Partnership of Brenmar to Brenmar Limited

To date, Brenmar has operated a traditional partnership business model. Brenmar's accountants and tax advisers have recommended that the Brenmar business is incorporated. To this end, we have formed a new company, Brenmar Limited (**Company**) into which the current Brenmar business and assets will be transferred.

Please rest assured that the restructuring will not affect the day to day running of the business and the management team and employees will remain the same.

The partnership of Brenmar is being transferred to Brenmar Limited with effect from 1st February 2021.
